in case (*b*), to the Collector of the district to which the opium is to be transported.

9. No package containing opium shall be opened during transport.

10. The permit and the packages shall, on arrival, be presented for examination to the Collector.

If, after examination, the Collector concludes that the packages have not been opened or tampered with in transit, if their number is complete, and if they be found to be of the full weight specified in the pass (less such allowance for dryage, if any, as the Local Government from time to time prescribes), the packages may be dealt with by the owner as the law or these rules allow, the permit being retained by the examining officer. Otherwise the packages shal be detained and dealt with as the law or the orders of any duly authorised authority may direct.

Import.

11. No opium shall be imported into the presidency of Bombay by sea except in whole or half chests for re-exportation as provided by Rule 29:

Provided, however, that at the port of Bombay only, opium may be imported otherwise than in whole or half chests for re-exportation, subject in all cases to payment of the full duty imposed by the Sea Customs Tariff for the time being in force and to any special orders passed by the Commissioner as to subsequent possession and disposal of the opium imported.

12. No opium shall be imported into the presidency of Bombay by land, unless it be:

(*a*) booked through by railway for re-exportation to other parts of British India, or to native states;

(*b*) for exportation by sea from the port of Bombay;

(*c*) for retail sale by licensed vendors, in any district in which the direct importation of

opium for such sale is sanctioned by the Local Government, and subject to any conditions which the Local Government may from time to time prescribe: *

Provided that any opium imported for either of the purposes mentioned in clause (*b*) and clause (*c*) may after it reaches its destination in the presidency of Bombay, and with the permission in writing of the Collector, be dealt with in any other way permitted by the law for the time being in force. But, subject to any conditions which the Local Government may prescribe in this behalf, permission shall not be granted by the Collector until the difference between the duty on the opium in question, calculated at the rates in force at the date of the application, on opium intended for exportation and on opium intended for retail sale, respectively, shall have been recovered or refunded, as the case may be.

13. No opium shall be imported into the presidency of Bombay by land except by one of the following routes, that is to say—

(*a*) from any place on the frontier of the Kadi division in the territory of His Highness the Gáikwár, which the Local Government may from time to time appoint, direct to the town of Ahmedabad;

(*b*) by railway, from Khándwa, or *viâ* Pálanpur and Ahmedabad.

(G. N. No. 229, *B. G. G.*, 1886, Pt. I, p. 32.)

13A. Notwithstanding anything contained in Rule 13, Opium, the property of His Highness the Mahárával of Dungarpur may be imported into Ahmedabad, under an escort furnished by His Highness the Mahárával, by the following route, *viz.*, from Kherwáda, by Vichwáda, Samera, Samlaji, Tintoi, Bákrol, Lembhoi, Dhákrol, Modhuka, Hársol, Ujdia, Dehgam, Národa to Ahmedabad, and subject to examination as to number, weight and tampering in transit, at any of the above places which the Local Government may appoint in this behalf.

14. Opium booked through for re-exportation to other parts of British India or Native States shall be detained and examined as to number, weight and tampering in transit at any railway-station in the presidency which the Local Government may appoint in this behalf.

15. Opium imported by land for exportation by sea shall be brought direct to the town of Bombay, and there deposited, in the manner provided in Rule 21, until such time as it may be disposed of.

16. No opium shall be imported by land except after payment of the duty, if any,† imposed by the Governor General in Council under section 6 of the Act, and under a pass in Form D., hereto annexed, or in such other form as the Commissioner from time

* *Vide* Appendix A.
† *Vide* Appendix D.

to time prescribes, granted by the Government Opium Agent at Indore, Chitor, Ujjein, Rutlam, Dhár, Ajmir, Ahmedabad, Mundisar, or Bhopál, or by some other officer duly authorized in that behalf by the Governor General in Council or the Local Government, respectively.

16*A*.—Notwithstanding anything contained in Rule 16, opium imported from the Kadi Division of His Highness the Gáikwár's territory under clause (*a*), Rule 13, and opium imported under Rule 13*A* from the territories of His Highness the Mahárával of Dongarpur, shall be allowed to be brought to the scales at Ahmedabad on provisional passes to be granted by the Opium Agent, Ahmedabad, in such form as may be prescribed by the Commissioner from time to time without previous payment of duty. But no such opium shall be allowed to be passed from the scales except on payment of duty, if any, and under a pass as provided in Rule 16. (Notn. No. 6914, *B. G. G.*, 1889, Pt. I., p. 804.)

17. The duty on opium intended for exportation by sea shall be payable as follows :—

at the Ahmedabad Opium Agency, in cash or by hundi payable at sight at the Bank of Bombay ;

at the Ajmir Agency, in cash or by hundi drawn on some trustworthy firm in Bombay, and payable at sight ;

at all agencies subordinate to the Opium Agent, Indore, by hundis drawn on some trustworthy firm in Bombay and payable at six days' sight.

18. Intimation of the passes granted and hundis received daily shall be sent by the officer granting and receiving the same direct to the Collector of Customs and to the Bank of Bombay (in the case of hundis thereon) ; and, when the opium concerned is intended for retail sale by licensed vendors, or for immediate re-exportation from the Presidency of Bombay to another part of British India or to a Native State, to the Collector or Political Officer of the locality to which the opium is to be sent. The passes shall be delivered to the importers to cover their consignments.

19. Save as permitted in Rules 11 and 20, no opium shall be imported into the Presidency of Bombay—

(*a*) except in whole chests containing 140 lbs. of opium, or half-chests containing 70 lbs., *plus* such allowance, if any, for dryage as the Local Government may from time to time prescribe ;

(*b*) unless each such chest or half-chest be marked with the consecutive number of the pass, the total number of chests forming the consignment and the distinctive brand of the office from which the pass was issued.

20. Notwithstanding anything contained in Rule 19, opium booked through by railway for re-exportation to the Presidency of Madras may be imported in strong wicker baskets subject to the following conditions :—

(*a*) each basket shall be stoutly and securely sewn over with leather, and shall contain 10 lbs. of opium;

(*b*) seven of such baskets shall be packed in a strong gunny or cloth bag, which shall be securely sewn;

(*c*) each bag shall have a label sewn on it, showing the number of its covering pass and its weight at the scales, and a distinguishing number or mark.

21. Opium imported into the Presidency for exportation by sea shall be conveyed to Bombay and shall, on arrival, be presented to the Collector, together with the pass covering the same. The consignment shall be verified in the manner specified in Rule 10, and conveyed direct to and deposited in the warehouse:

Provided that any such opium may be detained by the Collector at the risk of the consignee, until payment of the duty, when it is paid by hundi, has been certified by the Bank of Bombay, or until any other condition prescribed by this rule has been fulfilled.

22. Opium imported into the town of Bombay may, for export purposes, be manufactured into chandul, but such chandul shall continue liable to all the restrictions on transport which under these rules apply to opium. The manufacture shall be conducted under licenses to be issued by the Collector on such conditions as the Commissioner may from time to time prescribe.

Export.

23. Opium imported under Rule 12 for exportation by sea may be so exported from the port of Bombay only.

24. Opium so exported by sea shall be packed in whole or half chests containing the weights specified in Rule 19.

25. When opium is to be removed for exportation by sea, the exporter shall enter in the shipping bill, under which the opium is to be exported, the marks and numbers of packages and the number of packages of each mark to be removed from the warehouse. The shipping bill so prepared shall be checked with the warehouse register and removals noted therein.

26. Opium converted into chandul under Rule 22 may be exported under the same conditions as are provided in Rules 23 to 25 for ordinary opium, at the rate of 140 lbs. of chandul to 70 lbs. of opium.

27. When any person desires to export opium from the Presidency of Bombay into any foreign State, or into any other part of British India, he shall obtain a pass for each consignment, in such form as the Commissioner may from time to time prescribe, from the Collector of the district from which such opium is to be exported, or, in the case of export from the town of Bombay, from the Collector of Customs.

The pass shall specify—

(1) the name of the person in charge of the consignment,

(2) the name of the consignee,

(3) the number of packages and the weight and contents of each, and

(4) the destination of the consignment.

But no such pass shall be granted unless the person applying for it produces a written permission so to apply, signed by the Collector of the district, or the Political Officer accredited to the foreign State into which such opium is to be imported.

28. The Collector may thereupon grant a pass for the export of such opium.

Each package shall be sealed in the presence of the officer granting the pass and with his official seal.

Transhipment and Re-export.

29. Notwithstanding anything hereinbefore contained to the contrary, opium not the produce of India may be imported by sea into the port of Bombay or Karáchi, and opium, whether the produce of India or not, may be imported by sea into the port of Aden: provided in each case that the opium so imported be manifested for transhipment or for re-exportation in the same bottom.

Opium so imported may be re-exported by sea from the said ports.

All such opium imported into and re-exported from the said ports in the same bottom shall be liable to a duty at the following rates on each chest not exceeding 140¼ lbs. avoirdupois net weight:—

when the consignment* does not exceed 150 chests, at Rs. 5 per chest.

from 151 to 300 chests, at Rs. 4 per chest.

from 301 to 600 chests, at ,, 3 ,,

601 chests and upwards, at ,, 2 ,,

Provided that opium on which a transhipment or re-export fee has been levied at one of the said ports shall be exempt from the payment of a re-export fee at any other of the said ports.

30. Small parcels of opium imported under Rule 11, on which full customs-duty has been paid, may be exported by sea or land under the special orders of the Commissioner.

General Rules as to Opium transported, imported and exported.

31. No railway company shall receive or convey opium not covered and accompanied by a permit or pass of an officer competent under these rules to grant the same; or shall convey opium otherwise than direct, and in the custody of its own officers, to the station at which, according to the route prescribed in such permit or pass, it should leave the railway.

* The term "Consignment" obviously means the quantity consigned by one person or firm to another person or firm (G. R. No. 8415 of 15th November 1883, R. D.).

32. The bulk of a consignment of opium in transport or in transit in the course of importation or exportation shall not be broken; and any revenue officer not inferior in grade to a Mahálkari, or any inspector or sub-inspector in the Ábkári or Opium Department, or any police officer not inferior in grade to a head constable, may at any time examine such a consignment.

If, after such examination, the officer concludes that the packages have not been opened or tampered with in such transport or transit, if their number corresponds with the number specified in the permit or pass, and if they be of the full weight specified in such permit or pass (less the allowance, if any, granted for dryage), the consignment shall be allowed to proceed. Otherwise the consignment shall be detained and disposed of according to law.

33. Opium, the property of a farmer licensed by His Highness the Gáikwár for the retail sale of opium in His Highness's territories, and intended for the supply of the said farmer's retail shops, may be imported into and transported through or exported from British territory when taken direct from one or other of the depôts and sub-depôts mentioned in the margin under cover of permits issued and signed by a Náib-Subha of a division or of a táluka of His Highness's territories to the retail shop at which it is to be sold. Such permit shall be in Form C. appended to these rules.

(Notn. No. 4426, *B. G. G.*, 1891, Pt. I., p. 538, 2nd July 1891.)

33*A*. The conditions subject to which the transport through British territory of opium which has been seized as liable to confiscation in any part of the territories of His Highness the Gáikwár of Baroda, but which has not been ordered to be confiscated, shall be permitted, are as follows:

(*a*) that the opium shall be transported by the most direct route from the place of seizure to the place at which its liability to confiscation is to be decided;

(*b*) that it shall be covered by a pass which shall contain the following particulars:

(i) the route by which, the time during which, and the places from and to which transport is to be effected;

(*e*) that intimation of the route by which any such opium is to be transported shall be given to the Police patel of the first village in British territory through which the opium may have to pass not less than twenty-four hours before the transport through such village is commenced.

Sale.

34. Opium is said to be sold "retail" when a quantity less than half a chest of 140 lbs. is sold in a single transaction. It is said to be sold "wholesale" when half such a chest or any larger quantity is so sold.

35. No person shall sell any opium to any person not legally authorized to possess the same.

36. Opium deposited in the warehouse under Rule 21 may be sold wholesale in the town of Bombay pending its disposal, subject to the provisions of these and of the Bombay Opium Warehouse Rules as to removal from the warehouse, and provided that only whole chests or half-chests shall be so sold.

36*A*. Opium imported into Ahmedabad under Rule 13*A* may be sold wholesale to Native Chiefs and British farmers or licensed vendors in the city of Ahmedabad pending its disposal, subject to the provisions of these rules as to transport or export, as the case may be, and provided that only whole chests or half-chests shall be so sold. (Notn. No. 229, *B.G.G.*, 1886, Pt. I., p. 32.)

37. No person shall retail opium without a license: Provided that any medical practitioner to whom a license has been granted under Rule 6 may sell opium in quantities not exceeding in any one transaction ten tolás as medicine or in medical preparations.

38. No retail vendor shall sell more than ten tolás of the inspissated juice of the poppy, or of any preparation or admixture thereof, or of any intoxicating drug prepared from the poppy, or more than five sers of poppy-heads, except to a licensed vendor or farmer or to a medical practitioner or other person holding a special permit granted by the Collector under Rule 6, or under a special order from the Commissioner or a Collector.

39. Licenses for the retail of opium or for the manufacture and retail of all or any intoxicating drugs prepared from the poppy may be granted for the town of Bombay by the Collector of Customs and for other parts of the Presidency by the Collector of the district. Such licenses shall be in the Form E., hereto annexed, or in such other form as the Commissioner from time to time prescribes.

40. Whenever a license is granted for the retail of opium, the officer who grants it shall demand

such payments and shall impose in the license such conditions on the licensee as may from time to time be prescribed by the Commissioner.

(Notn. No. 9061, *B. G. G.*, 1885, Pt. I., p. 1283.)

41. *Cancelled.*

42. Licenses for retail shall be granted for one year only, unless the Commissioner shall otherwise specially direct.

43. With the general or special sanction of the Commissioner, the Collector may let in farm the right to retail opium, or to manufacture and retail all or any intoxicating drugs prepared from the poppy, in any local area under his control, for a term not exceeding five years. The Commissioner may prescribe rules:

(*a*) for the invitation and acceptance of tenders for such farms.

(*b*) for the requisition of security for the due fulfilment of the engagements entered into by the farmers, and

(*c*) as to the form and conditions of such leases.

Any breach of such engagement shall render the lease liable to annulment by the authority by whom the farm was sanctioned.

44. When any such farm is given, the farmer may make his own arrangements for the appointment of subordinate vendors, and for the manufacture of intoxicating drugs, within the limits of his farm and subject to the conditions of his lease: provided that no opium except that supplied from a Government depôt and opium lawfully imported under clause (*c*), Rule 12, and opium otherwise lawfully obtained, shall be retailed or used in the manufacture of such drugs.

45. Licenses for the retail of opium, or of intoxicating drugs prepared from the poppy, by persons appointed by the farmer to retail on his behalf, shall be granted by the Collector in such form and on such conditions, consistent with the conditions of the farm, as the Commissioner from time to time prescribes.

46. With the sanction of the Commissioner, the Collector may cancel any lease granted under Rule 43; or may, within the period of the lease, impose any new reservation or restriction on the farmer.

If any such lease be cancelled for any cause other than a breach of the conditions thereof, or if any reservation or restriction with respect to the grant of licenses be imposed during the lease, the Commissioner shall award such compensation as he thinks reasonable to the farmer for any damage sustained by him by reason of such cancellation, reservation, or restriction.

47. If any licensed vendor or farmer shall have in his possession, on the expiry of his license or farm, any opium which he is unable to dispose of, to the satisfaction of the Collector, by private sale to other licensed vendors or farmers, he shall

surrender the same to the Collector; and the incoming licensed vendor or farmer, or, if the expired license or farm is not renewed, any licensed vendor or farmer within the district, when required by the Collector, shall be bound to purchase the opium aforesaid to the extent of two months' supply at such price and in such quantities as the Collector shall adjudge: provided that the price of opium thus adjudged shall in no case exceed the rate at which it can be procured from the Government; provided also that, if such opium be in the opinion of the Collector unfit for use, the Collector shall cause it to be destroyed.

48. Central and subsidiary depôts of opium for issue to licensed retailers and farmers and for other Government purposes shall be established at Bombay and such other places as the Local Government may from time to time direct.

49. The opium required for these depôts shall be imported from Málwa or Bengal, or otherwise procured as the Local Government may direct, and shall be stored in the first instance at the central depôts, whence it will be supplied on indents to the subsidiary depôts as required.

*50. Opium shall be issued from the Goverment depôts to licensed vendors at a price to be fixed and notified from time to time by the Local Government.

Import, &c., on behalf of the Government.

51. Nothing contained in the foregoing rules shall be deemed to affect the possession, transport, import, export or sale of opium by or on behalf of the Government.

Permission to import, export, transport and sell Opium.

52. Subject to the prohibitions, conditions and regulations imposed and prescribed by the foregoing rules, the manufacture, possession, import, export, transport and sale of opium are permitted.

Disposal of things confiscated.

53. Opium confiscated under the Act shall be examined by the Collector, and, if declared by him to be fit for use, shall be sent to the nearest depôt. If declared to be unfit for use, it shall be immediately destroyed.

54. If the opium so sent to a depôt be of quality sufficiently good for retail purposes, it shall be added to the stock at the depôt. But if such opium be of inferior quality, it may be issued to retail dealers at a special rate proportioned to its quality, but shall be subject in other respects to the same conditions as other opium.

*Opium is issued from all Government depôts in the Presidency of Bombay including Sind at the fixed rate of Rs. 10 per lb. of 40 tolás each. (Notn. No. 3023, *B. G. G.*, 1883, p. 296, and Notn. No. 4772, *B. G. G.*, 1885, p. 735.)

55. All property, other than opium, which is confiscated under the Act, shall be sold under the orders of the Magistrate or other officer by whom the confiscation was adjudged.

Rewards to be paid to Officers and Informers.

*56. Any Magistrate convicting an offender under section 9, or any Magistrate or other authorized officer ordering the confiscation of opum under section 12 of the Act, may grant, in such proportions as he thinks fit, to any person or persons who have contributed to the seizure of the opium, or the conviction of the offender, a reward not exceeding the value of the opium and other articles confiscated in the case *plus* the amount of any fine imposed; or may place such aggregate amount to be awarded at the disposal of the head of the department, any officer or officers of which may have contributed to the seizure of the opium or the conviction of the offender, to be distributed by such head of the department in such proportion as he thinks fit among persons whom he may consider to be entitled to reward in connection with such seizure or conviction.

(Notn. No. 7007, *B. G. G.*, 1888, Pt. I., p. 840.)

1. Every order for reward shall state exactly the sum of money awarded as a reward from—
   (*a*) the value of the opium and other articles confiscated in the case, and
   (*b*) the amount of fine imposed.
2. For the purpose of determining the amount of reward under head (*a*) above, the value of the opium shall invariably be calculated at the rate of Rs. 6 per lb. (unless the officer passing the order considers the opium to be decidedly valueless and records an opinion to that effect) and the value of other confiscated articles shall be appraised by him at his discretion.
3. Immediately after an order for a reward is passed, a warrant shall be issued on the Treasury for the prompt disbursement of the amount of reward adjudged under the head (*a*), Rule I, and for the payment of the amount adjudged under the head (*b*) *after* the recovery of the fine shall have been certified by the Magistrate concerned, a copy of the warrant being at the same time given to the intended recipient.
4. The sufficiency of the amount adjudged as a reward in each case should be judged (*a*) by the importance of the seizure, and (*b*) by the dexterity displayed, and the trouble and risk undergone, by the informers, captors and others concerned, acting in good faith.

---

*Government regret to notice that in comparatively few cases have the Magistrates availed themselves of the power conferred upon them to grant rewards in cases of opium smuggling. In the interests of the public revenue it is desirable that such rewards should always be granted when fairly earned. (G. R. No. 273, dated 26th January 1882, R. D.)

5. If the fine is not paid within 24 hours, or only paid in part, the convicting Magistrate may, within a limit of Rs. 100, order payment of its full amount or of the unrealised balance, as the case may be, from the Treasury. (Notn. No. 8664, *B.G.G.*, 1890, p. 1227, 11th Dec. 1890.)

6. If an officer who passes an order for a reward considers the maximum amount of reward which he is competent to grant or the amount actually available for reward to be insufficient, or if the District Magistrate is of opinion that the reward granted in any case by a subordinate Court or officer is insufficient, the District Magistrate may, on the application of the officer concerned in the former case, and of his own accord in the latter case, apply for the sanction of the Commissioner to supplement the reward by a further reward under Rule 57 of the Opium Rules of such amount as the District Magistrate may deem fit to recommend, submitting at the same time a clear statement of the case, and of the grounds for his recommendation. The Commissioner may sanction, modify or reject the District Magistrate's recommendation as he may think fit in each case.

57. In any case in which, in the opinion of the Commissioner, any person has performed any service of special merit in respect of the prevention or detection of opium-smuggling or of any offence against the Act, the Commissioner may grant to such person a reward not exceeding in amount five hundred rupees.

The Commissioner, or, with the sanction of the Commissioner, a Collector or the Collector of Salt-revenue, may incur at his discretion expenditure not exceeding five hundred rupees in each case for the employment of informers or for any other purpose connected with the prevention or detection of opium-smuggling or of any offence against the Act.

The Commissioner shall, from time to time, report to the Government the circumstances under which any reward may have been granted or expenditure may have been incurred under this rule.

Control.

58. All Collectors shall, as regards any matter arising in the administration of these rules, be subject to the general control of the Commissioner.

59. The decision of the Collector as to the value of opium which has been seized shall be final.

BOMBAY OPIUM WAREHOUSE RULES.

(Notn. No. 4472, *B. G. G.*, 1885, Pt. I., pp. 698—703.)

In exercise of the power conferred by section 8 of the Opium Act, 1878, the Governor in Council is pleased, with the previous sanction of the Governor General in Council, to make the following rules relating to the warehouse appointed in Notification No. 2205,* dated 15th March 1885, (published at page 341 of the *Bombay Government Gazette* of the 19th idem), for the storage and deposit of opium legally imported into the Presidency of Bombay intended for exportation by sea therefrom, *viz.* :—

1. The said warehouse shall be known as "The Bombay Opium Warehouse" and these rules may be cited as "The Bombay Opium Warehouse Rules."

2. In these rules, unless there be something repugnant in the subject or context, any word or expression which is defined in the Opium Act, 1878, or in the Bombay Opium Rules shall be deemed to have the meaning attributed to it by that Act or those rules.

3. Opium brought to the warehouse for deposit shall be accompanied by the passport covering it issued at the scales.

4. At the time of receipt of the opium into the warehouse, the warehouse-keeper, or some other officer authorized by him in this behalf, shall examine the marks, numbers and other particulars on the chests or half-chests and verify the same by comparison with those entered in the passport.

5. If the marks, numbers and other particulars on the chests or half-chests are not found to correspond with those given in the passport, the warehouse keeper shall at once report the fact for the orders of the Collector, the opium being held in safe custody pending such orders.

If they correspond, the opium shall be stored in the warehouse.

6. After storage of the opium, the warehouse-keeper shall stamp across the passport the word "warehoused" and shall enter therein, in the place provided for the purpose, the number of the compartment of the warehouse in which the opium has been stored, with the date and his signature.

The passport shall then be sent to the Opium Department.

7. On receipt of the passport in the Opium Department, the particulars thereof shall be entered in a register; the passport shall then be stamped with the word "cancelled" and retained in the Opium Department. The date of warehousing shall also be noted in the register of passports.

8. All opium deposited in the warehouse as above shall be at the disposal of the owners, to be dealt with

*Notification No. 2205 appoints the building, known as the Port Trust Apollo Bonded Warehouse, situated in Marine Street, Fort, Bombay, to be the place for the storage and deposit of opium legally imported into the Presidency of Bombay and intended for exportation by sea therefrom. (Established under authority quoted in Notification No. 3862, *B. G. G.* of 1884, p. 363.)

as provided in the Opium Act and the Bombay Opium Rules.

9. No warehoused opium shall be removed from the warehouse until application in writing has been made to the Collector and a permit for such removal has been obtained from him.

This rule shall not apply to the removal of opium from one compartment of the warehouse to another.

10. Before removal of warehoused opium for exportation by sea, the exporter's shipping bill, which shall be in the from of schedule A, or to the like effect, and shall be prepared in the manner provided in No. 25 of the Bombay Opium Rules, shall be presented to the warehouse-keeper, together with the Collector's permit authorizing such removal.

11. As the opium is passed out of the warehouse, the warehouse-keeper, or some other officer authorised by him in this behalf, shall compare the marks and numbers and other particulars on the chests or half-chests with those entered on the shipping bill, and shall permit the removal of the opium only on finding the particulars to correspond.

12. When all the opium covered by a shipping bill has been passed out of the warehouse, the warehouse-keeper or other officer aforesaid shall note on the shipping bill the fact of the removal of the opium and the date thereof.

13. The warehouse-keeper shall then note in the shipping bill the hours between which the opium shall be transported from the warehouse to the place of shipment, and return it to the exporter.

14. Before removal of any warehoused opium, under the proviso to No. 12 of the Bombay Opium Rules, for consumption within the Presidency of Bombay or for exportation under No. 27 of the said rules into any foreign State or into any part of British India outside of the Presidency of Bombay, the pass required by No. 7 or No. 27 of the said rules, as the case may be, shall be presented to the warehouse-keeper, together with the Collector's permit authorizing such removal.

15. Previous to permitting removal of any opium under Rule 14, the warehouse-keeper shall check by weighment the contents of each chest or half-chest, and shall compare the weight with that given in the pass, and in the case of opium which is to be exported under No. 27 of the Bombay Opium Rules, shall seal each package as required by No. 28 of those rules.

16. On the removal of any such opium from the warehouse the warehouse-keeper shall note on the pass the fact of the removal and the date thereof, returning the pass to the person who presented it.

17. Before any warehoused opium is removed, whether under Rules 10—13 or 14—16, the warehouse-keeper, or other officer authorized by him in this behalf, shall mark each chest or half-chest with the Government stamp provided for this purpose.

18. Unless the Collector by a special order or otherwise directs, no opium shall be taken into, or passed out of the warehouse except in whole or half-chests and in the manner prescribed in the foregoing rules.

19. Every operation connected with the deposit and removal of opium in or from the warehouse, the bringing of the same to the proper place for examination and weighment, and putting thereof into and out of the scales, and the opening, sorting, lotting, marking and numbering of packages of opium, in accordance with or for the purposes of these rules, shall be performed by, or at the expense of, the owner of the opium.

20. The warehouse-keeper, or any person duly authorized by the Collector, may at any time enter any compartment or part of the warehouse, and may weigh or otherwise take an account of any opium that may be there.

21. All assays, tests, examinations and samplings shall be performed within the warehouse.

22. Assaying, testing and other operations in which the use of fire is necessary shall be carried on only in the part of the warehouse premises set apart for that purpose and known as the 'testing-rooms.'

23. The balance of opium, if any, remaining after assay or test shall be removed from the testing-rooms and again deposited in the portion of the warehouse set apart for its storage.

24. The use of fires and naked lights and smoking within the warehouse are absolutely prohibited except in the testing-rooms.

25. The use of covered lights and lanterns may be permitted by the warehouse-keeper whenever it is shown to his satisfaction that it is necessary to allow the packing and sorting of opium to be proceeded with in the warehouse after sunset. The use of petroleum or other inflammable or dangerous oils for the purpose of lighting is strictly prohibited.

26. The warehouse shall be closed on Sundays and on New Year's Day, Good Friday, the Empress' Birthday, Christmas-day and all other days on which the closing of public offices is ordered by Government. The Collector, however, may, on application, permit the warehouse to be opened on these days on payment of such fees as the Collector, with the sanction of the Commissioner, may from time to time fix.

27. The ordinary working hours in the warehouse shall be from 10 A.M. to 5 P.M. But when the owner of any opium to be deposited in the warehouse, or of any opium already in the warehouse, makes—

(*a*) a verbal request that the warehouse be kept open at any other time between sunrise and sunset, or

(*b*) a written application, giving sufficient reasons for the request, that the warehouse be kept open after sunset up to an hour not later than 10 P.M.,

the warehouse-keeper shall open or allow the warehouse to remain open as desired.

28. No opium, or any other article, shall be brought into or removed from the warehouse except between the hours of sunrise and sunset: provided that opium unavoidably detained in transit to the warehouse and brought to the warehouse after sun-

set may be received in safe custody pending verification in the manner specified in Rule 4.

29. The warehouse shall be opened and closed only in the presence of the warehouse-keeper, who shall be responsible that all doors and windows giving access to the warehouse are properly closed and secured at the end of each day, and at the time of closing shall see that no person remains within the warehouse after it is closed, and that all lights and fires have been properly put out.

30. After the closing of the warehouse, the warehouse-keeper shall place the keys of all locks in a box provided for the purpose, and after locking the said box shall forward it to the Superintendent, Preventive Service, or other officer for the time being residing at the Town Custom House; one key of the said box shall remain in charge of the warehouse-keeper and a duplicate with the officer aforesaid.

31. The responsibility of securely closing the doors and windows of the several compartments within the warehouse shall rest with the respective occupants of such compartments and the keys shall remain in their charge.

32. Every person who enters or leaves the warehouse shall be liable to be searched for the purpose of ascertaining if he has opium secreted about him.

33. All cases, bundles and other articles shall be liable to examination when being taken into or removed from the warehouse.

34. Any person found guilty of any breach of the Opium Act or of any rule framed thereunder, or otherwise committing any offence in respect of the warehouse or of the warehouse officials, or of any property contained in the warehouse, may be excluded from, and prohibited entry into, the warehouse by the Collector.

35. The owners of opium stored in the warehouse shall ordinarily pay monthly in advance rent at the rates specified in Table I of Schedule B, but the Commissioner of Customs and Opium may at any time substitute therefore fees at the rates specified in Table II of the same schedule. (Notn. No. 6315, *B.G.G.*, 1885, Pt. I., p. 966.)

36. In the event of any rent (or warehouse-fee) not being paid when due, the Collector may detain any opium in the warehouse, the property of the person or persons by whom such rent (or warehouse-fee) is due, until the claim be satisfied, and no opium in respect of which rent (or warehouse-fees) have not been paid shall be removed from the warehouse until they are paid.

37. The allotment of compartments and of testing rooms in the warehouse shall rest with the Collector, who may at any time revise or alter any such allotment previously made by him.
